Letter from the Chancellor

My goal since I launched out into ministry over 40 years ago has always been to teach the Word of God to people who have a hunger for the Word to transform their lives. The mission of Reign Church is to know God and make Him known. Every service, ministry, and event that we have is geared toward helping people get closer to God, live a victorious life, and overcome this world.

Faith Christian College is another avenue for that very thing to happen in people's lives but in an exponential way. Our college setting offers students the opportunity to explore the depths of relevant topics in a way that would seldom be available outside a college setting. Faith Christian College is a way to go beyond a typical church service, to an in-depth study of Biblical truths. Our students not only listen to quality lectures by passionate instructors, but they get the opportunity to have an active role in their learning and understanding of the Bible that cannot always happen on Sunday morning. They get to dive deeper into the Word and discover how it impacts their lives today.

At Faith Christian College our desire is to not just teach the Word of God but to teach it in such a manner that it will be easy for our students to implement Godly principles into their everyday lives. Personal growth is not measured in knowledge but in application of that knowledge. The academics at Faith Christian College are courses designed for this very purpose.

We want to be a school that is equipping students to be better individuals, who are capable of being better team players and leaders. This means being better individuals at home, work, church, and in the community. Faith Christian College is building people for a prosperous and successful life by first focusing on an individual's spiritual growth and development.

Pastor Glen Johnson
Chancellor, Faith Christian College

Letter from the President

Faith Christian College is designed to be a special academic experience for the students who accept the challenge to be committed to learning more about God's Word and applying it to their lives. Our desire is for our students to not just learn what the Bible says about how we should live, but to learn how to practically apply those lessons to their lives. This college is designed with the intent to disciple Christians to new levels of maturity in their belief and understanding of biblical truths.

Faith Christian College is not just about listening to awesome faith-based teachers of God's Word. Our classes are taught in a live classroom setting that implements active learning and brain-based learning techniques based on research by Eric Jensen. This modern-day teaching format makes the student's learning experience more enjoyable and the retention of information increases dramatically. For students who need to participate in classes online, we have innovative and unique ways to facilitate the creative learning process.

Faith Christian College is designed for busy people who desire to learn more about God's Word. We are conveniently structured so students can keep their jobs, stay involved in their local church, learn more of God's Word, put into practice what they learn, and if they desire, earn a Degree in Theology. Students who are not interested in a degree can enroll as an audit student.

Our goal is to enroll students who hunger for more of God in their lives and want to serve their family, community, and local church in a more effective manner. Some of Jesus' last words on this earth were directed at instructing those who believe in Him to make disciples of the nations. At Faith Christian College we believe discipleship starts with the people that surround us in our everyday lives. Being equipped to live a better life and help those around us is the perfect place to start impacting the world at large.

If Faith Christian College sounds like the type of college you are looking for, I want to invite you to join us and begin your adventure. I guarantee you will meet some wonderful people that will become great friends and enhance your life.

Pastor Jerry Dahlke
President, Faith Christian College

Statement of Faith and Mission Statement

We believe the Bible is the inspired Word of God, a revelation from God to man, the living, infallible, and everlasting rule of faith and conduct, and is superior to conscience and reason.

We believe the triune Godhead is comprised of three separate and distinct personalities, The Father, The Son, and The Holy Spirit, who are eternally self-existent, self-revealed and function as one entity.

We believe man, by voluntary transgression, fell, and his only hope of redemption is in Jesus Christ the Son of God.

We believe man's only hope of redemption is through the shed blood of Jesus Christ.

We believe salvation is by faith in Jesus Christ and not by human works.

We believe all believers are entitled to, and should ardently expect and earnestly seek, the promise of the Father, the Baptism in the Holy Spirit, according to the command of our Lord Jesus Christ.

We believe the full consummation of the Baptism of believers in the Holy Spirit is evidenced by the initial physical sign of speaking with other tongues as the Spirit gives utterance and by the subsequent manifestation of spiritual power in public testimony and service.

We believe the Church is the body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission.

We believe Jesus is coming again to gather all His Saints to ever be with Him.

We believe those who have not accepted the redemptive work of Jesus Christ will suffer eternal separation from the Godhead.

We believe the Scriptures promise the return of our Lord Jesus Christ with His saints from Heaven to rule and reign for one thousand years on earth.

We believe the Church shall only sanction or conduct marriages between a man and a woman. God instituted marriage between male and female as the foundation of the family, the basic structure of human society.

We believe God has wonderfully and immutably created each person as male or female. These two distinct, complementary genders together reflect the image and nature of God.

Our mission at Faith Christian College is:

- To know God and to make Him known
- To educate and help people gain knowledge of God's Word
 - To equip people to share knowledge with others
 - To change the student's attitude and appetite for learning
- To help the student find God's call for his or her life and connect with Him

Application Procedure

General Enrollment:

A qualified applicant is described as a person who meets the following general requirements:

- At least 17 years of age
- Complete and submit a Faith Christian College application with the following items:
 - 1) Full payment of registration fee
 - 2) Proof of graduation in the form of one of the following:
 - a) High School diploma
 - b) General Equivalent Diploma (GED)
 - c) Official and sealed high school or higher education institution transcript
 - Once the higher education transcript is received, an assessment will be conducted, and the granted credits will be transferred toward your degree
- Attend mandatory student orientation

Early Enrollment Students (still attending high school or pursuing GED):

- Must be at least 16 years of age
- Must attend an interview with the college administration, with a parent or legal guardian present if under the age of 18
- Complete all General Enrollment requirements except proof of graduation
- The student will receive their earned college diploma after college administration receives a copy of the student's high school diploma or GED

Statement of Non-Discrimination

Faith Christian College is an educational Christian institution that admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the organization. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admission policies, and other organization-administered programs.

Financial Information

In an attempt to make college available to all, we have made every effort to keep our costs accessible. It is our desire that students graduate with their education paid in full. To accomplish this goal, we require that students pay their tuition for each course in full before the course begins. As an encouragement to follow this requirement, students who pay on time receive a \$20 (\$10 for Audit) tuition deduction for every course paid on time.

Payments can be made by cash, check, money order, or debit or credit card. A 3% processing fee will be charged to the student at the time of payment for paying with a debit or credit card; this is to cover the cost of fees charged to the college for processing such payments.

All textbooks required for courses at Faith Christian College are included in the cost of tuition and provided by the college for our in-person students. Students taking classes from a distance are responsible for purchasing their books.

Some tuition discounts are available through the college including:

On-Time Payment Discount: \$20 (\$10 for Audit) off monthly tuition

Semester/Year Pre-payment: 15% off tuition

Multi-Family Member: Discount varies depending on # of family members enrolled at FCCollege

Financial Information

Payment Plans

Tuition is due on the first night of each new course. If the student is not able to pay tuition in full at the beginning of the course, a payment plan must be arranged with the college bursar. The payment plan will be written up and signed by the student and the bursar, with the student receiving a copy and a second copy going in the student's file.

Financial Aid

Faith Christian College is not a Title IV accredited college, therefore Government Aid in the form of scholarships, grants, or loans is not available through the college. Students are welcome to privately seek out scholarships to help pay for their tuition.

There are a limited number of scholarships which have been funded through FCCollege. Students interested in applying for one of the scholarships must complete the Scholarship Application, which can be provided by the college or completed online in the Forms tab on the Populi dashboard. Completion of the application does not guarantee the student will be awarded a scholarship for tuition and/or fees.

Refund Policy

Students finding it necessary to withdraw from school will receive an adjustment in tuition paid. However, no fees will be refunded. The refunds for monthly tuition are as follows:

Before the first week of class:	100%
Before the second week of class:	50%
No refunds after the second week of class	

Any discounts received for pre-paying for a full semester or year will be void upon early withdrawal and refunds will be adjusted to account for the full tuition amount for attempted or completed courses.

Tax Information

Faith Christian College has not been independently approved by the Internal Revenue Service (IRS) to issue 1098-T forms. The costs for attending FCCollege are not generally eligible for a tax deduction. Additionally, payments made to FCCollege for tuition cannot be considered donations and therefore cannot be written off as such. If in doubt, please seek advice from a professional tax preparer.

Academic Requirements

Degree Granting Status

The Washington Student Achievement Council has determined that Faith Christian College qualifies for religious exempt status from the Degree-Granting Institutions Act for the following programs: Associate of Theology (ATh), Bachelor of Theology (BTh), Master of Theology (MTh), and Doctor of Theology (DTh). The Council makes no evaluation of the administration, faculty, business practices, financial condition or quality of the offerings by this institution. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430 or by email at degreeauthorization@wsac.wa.gov.

Accreditation Status

In an effort to focus specifically on theological studies, we have chosen not to pursue accreditation from a nationally recognized accrediting agency. Accrediting agencies recognized by the U.S. Department of Education require students to take core classes such as Mathematics, Science, and Humanities, which are not subjects that our specific curriculum focuses on in an effort to give our students a quality education while maintaining their regular work and life schedules. We do, however, strive to maintain the standards of quality that are required by accrediting agencies.

Transfer of Credits

FCCollege will accept transfer credits from other colleges for courses within the general boundaries of its programs. Transfer credits are accepted for undergraduate programs only and are at the discretion of FCCollege. The following guidelines will be followed when granting transfer credits:

- 1) Transfer credits will be granted only when the Registrar's Office receives an official transcript from the other school. Unofficial transcripts will not be accepted.
- 2) Credits may be transferred from other institutions on a course-by-course basis.
- 3) FCCollege will accept up to 50% of transfer credits toward a degree. 30 of the required 60 credits must be completed at FCCollege to receive an Associate Degree and 60 of the required 120 credits must be completed at FCCollege to receive a Bachelor's Degree.
- 4) FCCollege will accept credit for courses in which a student attained a "C-" or better grade.
- 5) FCCollege will only accept courses that are above a 100 level (courses designated ENG 90, MAT 95, etc. will not be transferred in).
- 6) FCCollege will not accept AP course credit (credits granted by high schools).

Academic Requirements

Transferability of Credits

Due to Faith Christian College not being accredited by a U.S. Department of Education recognized accrediting agency, transfer of credits from FCCollege is determined by the college to which the student is submitting transfer credits.

Life Experience in Ministry

Life Experience in Ministry (LEM) credit is only available for the undergraduate level. A qualified applicant for LEM is a minister who meets the following requirements:

- 1) The minister has experience teaching or preaching the Word of God in formal classes as higher education, church services for adults, youth or children for a minimum of four years.
- 2) Most of the material the minister has taught has been a result of their own studies and not pre-printed material.
- 3) Sunday school teaching, life group teaching or leadership, home Bible studies, cell groups or support groups **do not** count toward LEM credit.
- 4) Applicant is required to pay the LEM application fee and for each LEM credit awarded by FCCollege, as referenced in the Financial Information section on page 6 of this catalog.

Academic Policies

Course Information

Each course consists of four weekly classes.

Vancouver Campus: Weekly classes are held on Tuesday, from 7:00pm to 9:45pm at Reign Church Vancouver.

Kelso Campus: Weekly classes are held on Tuesday, from 7:00pm to 9:45pm at Reign Church Kelso.

Morton Campus: Weekly classes are held on Wednesday, from 6:00pm to 8:45pm at Morton Jr. Sr. High School

Helena Campus: Weekly classes are held on Tuesday, from 6:00pm to 8:45pm at The Well Church.

Class Attendance

Class attendance is emphasized because studies have shown that learning and retention is greatly increased when a student is actively involved in their education. If a student is going to be absent from class, he or she must contact the school before class starts to report his or her absence. Classes are recorded and uploaded to the student website for students who miss classes. Students can earn extra credit by either attending class and participating or listening to the missed class and submitting make-up participation before the next class.

Grading

Tests taken on time will be graded within one week of their due date. Papers will also be attempted to be returned to the student in this time-frame, but may take longer depending on the number of students and length of paper.

Late Assignments

If the student misses class on the night an assignment is due, he or she will have one extra week to submit the assignment.

Late assignments will have a grade reduction as follows:

1 week late	assignment grade drops 10%
3 weeks late	assignment grade will be 0%

Academic Policies

Academic Ethics

Academic dishonesty is taken seriously at FCCollege and the consequences may range from a failing grade for the assignment or exam to a loss of course credit. Plagiarism is claiming the work of others as your own without specific acknowledgement. Using the MLA Citation Style on papers avoids this issue. A student should assume that the final form of required work being turned in is meant to represent their own efforts and written in their own words. **The use of A.I. or ChatGPT programs to complete written assignments will not be tolerated and will be treated as plagiarism.**

Withdrawal Procedures

A withdrawal request must be submitted to the college in writing. The date of the withdrawal is the date that the signed request is received in the FCCollege office. When the withdrawal is processed, the student will be given a final grade of W (withdrawal) and any tuition refunds will be processed. A student who fails to notify the college of an intent to withdraw will not receive any tuition refunds for registered courses.

Graduation Requirements

To qualify for graduation, the student must meet credit and course requirements for their specified degree program (see Program Degree Requirements). Students must have no outstanding financial obligations to FCCollege to graduate. Students are required to submit a "Request to Graduate Form" by April 15 the year they intend to graduate.

Graduating with Honors

Full-time students that earn a grade point average of 3.50 or above attain superior academic standing.

Cum Laude	3.50 – 3.64
Magna Cum Laude	3.65 – 3.89
Summa Cum Laude	3.90 – 4.00

Program Degree Requirements

AUDIT

This program is suited for the student who desires to increase his or her knowledge of the Bible, but does not want to pursue a degree in Theology. A student who is registered in the Audit program attends classes and contributes to class participation, but is not required to complete assignments or the Strategic Service Practicum. Audit students who complete 9 courses during the school year will receive a Certificate of Completion for the courses they completed during the year. Any courses that are completed as an Audit course will not count for credit if the student chooses to pursue a degree in Theology. The student may re-take the course for credit toward his or her degree.

Missions Opportunities

And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.

Matthew 28:18-20 NKJV

During the Spring Semester, a group of students will go on a mission trip for approximately 7-10 days. This trip is organized by the college and can be located within the United States or internationally. Students will go beyond their classroom learning and actively use what they have been learning about the Word of God. Students will engage with local believers and non-believers and experience different cultures while spreading the Word to *all the nations*.

This opportunity is available to students who have completed at least two years at Faith Christian College and is limited to a small number of students each year.

The mission trip will replace the course the students would normally take during the month they go on their mission and will be worth 3 college credits.

The cost of going on the mission trip will vary depending on the location and will be paid for by the student.

Students interested in applying to participate in this year's mission trip can pick up an application from the college. If you have questions regarding the location, cost, timeframe, or nature of the mission trips, please do not hesitate to ask the college for more information!

*Please note mission trips are only offered through the Vancouver campus of Faith Christian College at this time. The administration of other campuses will decide when they are ready to begin offering mission trips through their campus. If you are interested in participating with a Vancouver mission trip before your campus begins offering trips of their own, please communicate with your administrator regarding information.
